With the exception of Radiology and Emergency services, all revenue departments were at or under budget in May. Actual net revenue for May is 51.1% of patient revenue and 52.3% year-to-date; budget is 52.7%. We are continuing to realign staffing for the reduced volumes in Skilled Nursing and Acute. Our census at month end was 22 residents at Portola and 21 residents at Loyalton. We will continue to accept and budget for 24 residents at each campus. Cash receipts were very low in May causing our A/R days to increase to 58.
